

DAIKIN

Daikin AURORA R-32 RXT09AVJU9

Limited Warranty Information

Warranty Information

- Parts limited warranty is typically 5 years if not registered and up to 12 years when properly registered online, based on Daikin AURORA product literature and distributor warranty listings.
- Online registration requirements and warranty length may vary by state or province. Daikin notes that online registration is not required in California, Florida, or Quebec.
- Labor is typically not included unless a separate labor warranty or extended service plan is purchased.
- Final warranty eligibility depends on installation, registration, application type, and Daikin warranty terms.

Registration

For the most current warranty details, product registration, and complete terms, use Daikin warranty resources or contact the installing contractor/distributor.

This PDF is an ecommerce warranty information sheet prepared from Daikin AURORA catalog notes and Daikin warranty information sources. Use Daikin warranty documents as the final authority.
