

Operation Manual

Applicable indoor models: FTKF09BVJU9 and FTKF12BVJU9

- Daikin OTERRA R-32 indoor unit operation reference.
- Use with indoor models FTKF09BVJU9 and FTKF12BVJU9.
- Typical topics include remote controller functions, cooling modes, fan operation, timer settings, comfort airflow, cleaning, and troubleshooting.
- This file was prepared for product-download organization so your Volusion links remain consistent.

If you later obtain the official Daikin operation PDF for these exact indoor models, you can replace this file while keeping the same filename and HTML path.
